## foreword

The period in which we live and our graduation from college offers a privilege for service to any person who is well prepared. May we think of the years spent at Valdese High as the initial period in this preparation for the opportunities that lie before us.

Through our continued sacrifices and with a determined effort to strive toward our selected vocations, we may help our community to find a solution to many of its perplexing problems.

Now the time has come for us to part. As we leave these portals of Valdese High, we leave behind the cherished memories that have endeared us to our Alma Mater.

As we move on to blaze new trails, may we stop and cherish those memories once again through the activities and organizations that helped us to establish them.

*Charlie Forney*

To one whom we shall never forget, we offer our whole-hearted thanks. Appreciation is certainly due to Charlie for helping make each day at Valdese High a more pleasant one. Because of your long hours of labor, kind words of encouragement, and overwhelming sense of humor, we consider you our genuine friend.

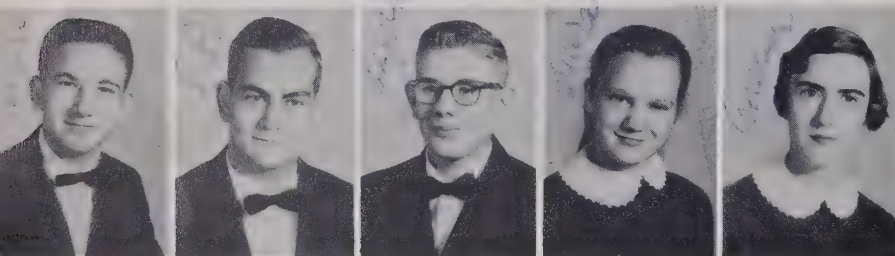

It is the beginning of a new life as our eighth graders and the Rutherford College eighth graders take their first giant step into high school. New faces, new teachers, new classes; all the order of the day met with forlorn looks from confused Freshmen.

We want Tiger meat! Pep rallies in front of the school--the shouts of victory as we declare to the world that the Tigers have won another game. Homecoming--the hustle and bustle of the girls as they prepare for the big night--the energetic cheerleaders, the wonderful band, the expectant hush that falls over the crowd as it awaits the crowning of the queen--the dance that follows--12:00, and then it's history.

The Tigers of 1960 had a successful year in the experience that they gained on the gridiron which will be helpful for the coming years of football, school, and life. They posted eight wins and two losses.

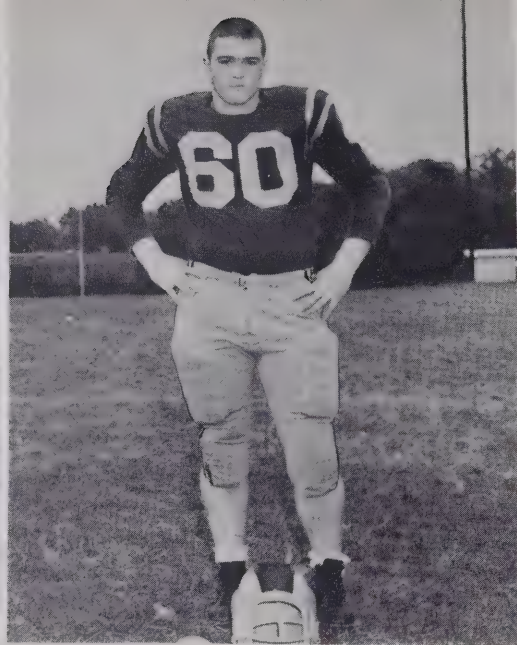

Very able players, under the direction of coaches Brevard and Whelchel, led the attack for the Tigers. These leaders included Poarch, Cline, Queen, Mobley. In the forward wall Satterwhite, Perrou, Bentley, Edwards, Cline, Pons, and Bumgarner delivered the Tigers' punch.

## november

The briskness of the nights make us aware that winter is just around the corner. The excitement of Twerp Week as the girls try their best to get a man of their own, and finally the crowning of Daisy Mae, the bonfire that lifts the spirits of the fans before the game that brings our football season to a close, the welcomed Thanksgiving holidays -- all these activities make November a full, exciting month.

Christmas lights, and the joyous strains of "Hark the Herald" is heard floating through the breeze. The familiar quotation of "What are you getting him for Christmas?" The waitresses of Sophomores as each hopes that no homework will be given over the vacation. The mad scramble of the annual staff as they try to meet the Impersonator deadline--all these joyous activities are culminated by our Christmas vacation days!

I think you are a sweet and wonderful and ~~lovable~~ loveable girl. I hope you and Colin get along fairly well ~~with~~ which I think you will.

I think it has been fun going to school with you this year. You are the meanest, most inconsiderate, fool in the school. Remain that way always and you will get the most <sup>out</sup> of life.

Dolly Ann,

I have had a lot of fun with you this year and I will always love you. I hope you and Colin get a long very well together and I'm sure you will.

You are a very wonderful and friendly girl and I am sure you will have a brilliant future. You can tell some good jokes and how. Ha! Ha! I have great fun with you in Math class - (Mr. Welch) He is very screwy isn't he, that is Colin isn't he. You are very sweet and wonderful.

I have enjoyed being in school with you, too. All the wrong notes you have saved.

Herman is very sweet and nice isn't he? I hope that you & Herman have a nice friendship.

Love you forever,  
Fran

Golly,

well, it's annual time again. What a time! What a year! I really have enjoyed this year because of all the things our little group did together, won't you? It sure has been fun. I'll always remember the time Mrs. Johnson told you to watch the fighting in the halls. Also the times we ate at the weave mill, lunchroom, etc., all the parties, yours and Colin's friendship, and all the other exciting things. Seriously, though, the best of luck to one who deserves it.

Becky or senior

P.S. - May the splinters of success stick in your career as you slide down the banister of life.

Pat

Dear Dolly,

You are a real cute girl and although you couldn't "trap" Colin ("Nuthard") you are still real cute. But of course we all can't be beauty queens.

I am glad you are in my classes with me. I guess you are so cute you seem like a little sister to me. Although I get mad at you at times, I still like you. Maybe someday Colin will think as much of you as I do. Then we will all be happy.

Maybe someday we will be in every one of our classes then that way. We can be better friends.

I am sorry you didn't come to my party.

Love,  
Pat.

Dolly,

It has been wonderful knowing you this year and all of the other years. You are a very sweet and wonderful girl. You sure have a great sense of humor for all the times I have teased you, you have been a real sport. Also you have a sweet personality. I think mainly, the personality counts. I hope you and I will always remain close friends. I am looking forward to you being in some of my classes next year. And I might even see you at church. May good luck forever come your way and all your dreams come true, (except the ones about me). God bless a sweet and deserving young lady.

Love always

Judy
